Maharashtra State Board Of Secondary and Higher Secondary Education,  
Pune.

(Feb 2019)

#### S.S.C

Maharashtra State Board Of Secondary and Higher Secondary Education,  
Pune.

(Mar 2017)

### PROJECT

#### Electronic E-Commerce Website

I developed and designed an advanced electronic ecommerce website, drawing inspiration from the user friendly interface and features of Amazon. The web app seamlessly integrates an extensive range of electronic products, allowing customers to browse, search, compare, and purchase items with ease. This project showcases my proficiency in web development, user experience optimization, and database management while delivering a platform reminiscent of the seamless shopping experience offered by Amazon.

### SKILLS

- Proficient in HTML5, CSS3, JavaScript, and Bootstrap.
- Knowledge of frontend frameworks / libraries such as Angular.
- Knowledge of relational and non-relational databases, including MySQL.
- Understanding of version control systems such as GitHub.
- Strong problem-solving and debugging skills.
- Good communication and teamwork abilities.

### CERTIFICATIONS

- Web Development Internship - Technohack (Sep 2023).
- MySQL - LinkedIn (Oct 2022).
